AGILITY ENROLLMENT FORM

Training Information: The Hutchinson Kennel Club was formed in 1954 and has been active in dog training ever since. We are a not - for - profit organization run entirely by volunteers. We know what a pleasure a well-trained dog can be, and we are committed to help you train yours, purebred or mixed breed.

Agility is called "Obedience in Motion" therefore we do have some requirements. Teams "Handler and Dog" enroll into our agility classes. Please look over the prerequisites below.

Agility Foundations – \$65.00

You and your dog will learn a new level of communication in this class that will prepare you for Basic Agility as well as many other HKC classes. This class is where you and your dog will learn the ground work that will be used in all levels of Agility training.

Prerequisite : Teams must have been through a Basic Obedience class or have a good concept of "Sit" "Down" "Recall or Come".

Six 60-minute classes

Basic Agility - \$85.00

In this class dogs will learn to negotiate the AKC Novice Agility obstacles and will be started on the weave poles. This is a great confidence builder for both dogs and handlers as you learn yet another level of communication with your dog!

Prerequisite: Agility Foundations Class

Eight 90-minute classes

Intermediate Agility - \$85-00

In this class you will learn to put it all together. You will teach your dog to sequence more obstacles by using both verbal commands and your hand/ body language. This helps you to guide where your dog goes in the sequences. This is where it gets REALLY fun!!

Prerequisite: Basic Agility Class

Eight 90-minute classes

Advanced Agility - \$85-00

In this class your dog will build up to running longer sequences and full courses. You will be introduced to more advanced course layouts including pinwheels, threadles, serpentine, and wraps.

Prerequisite: Intermediate Agility and Instructor Approval

Eight 90-minute classes
