We train you to train your dog!

Training Information: The Hutchinson Kennel Club was formed in 1954 and has been active in dog training ever since. We are a not - for - profit organization run entirely by volunteers. We know what a pleasure a well-trained dog can be, and we are committed to help you train yours, purebred or mixed breed, 8 weeks old and older.

Please check the prerequisites for each class. Your dog must be in good health and be current on all required vaccination. (See vaccination requirements, enclosed). Overly aggressive dogs, needing individual instruction, may not participate in a class.

You will be the trainer of your dog. Trainers must be at least 12 years old and physically capable of controlling the dog. Junior handlers must be accompanied by a responsible adult. Family members are welcome to attend, but children must be supervised at all times.

Please check the enclosed class schedule for starting dates and fees for classes. You may also check our website at www.hutchinsonkennelclub.com for the most up-to-date information on upcoming classes or email HKCTrainingDirector@gmail.com.
